fv

You have been selected as a *reference* by a student applying for the **Northeast AHEC Fox Valley Health Careers Summer Camp 2017**. There are a limited number of spaces in the camp so your input is very important to us. We are looking for students who are genuinely interested in pursuing a health career, will appreciate this unique experience, are respectful to others, and are team players. All responses will be kept confidential and will only be used for the camp admission process.

Because you may NOT "save as you go" you must complete this reference in one time period/session.
