

Northeastern WI AHEC VolunTEEN Program Reference Sheet

Connecting students to careers, professionals to communities and communities to better health.

Teacher/Community Member Reference Sheet

You have been selected as a *reference* by a student making application for selection to participate in the **NEWAHEC's Summer 2017 VolunTEEN Program**. Your input is very important to us, as our space is limited. We are looking for students that are interested in gaining volunteer experience, learn important skills necessary for a professional workforce setting, will appreciate this experience, are respectful of others and may not have another experience like this available to them. All responses will be kept confidential and will be used only for the program admission process.
